Introduction of Financial Integrity Rating System of Texas
Other Data Concerning the District's Operations
2012-2013 District Financial Integrity Rating Status Summary
Disclosures

Introduction

Passed during the 77th regular session of the Texas Legislature (2001), Senate Bill 218 requires each school district to prepare an annual financial accountability report. Many business-related issues are covered in this report. The primary reporting tool, however, is the Financial Accountability Ratings Worksheet. This worksheet was developed by representatives of the Texas Education Agency (TEA), the Texas Business & Education Council (TBEC) and the Texas Association of School Business Officials (TASBO). It is administered by TEA and calculated on information submitted to the Agency via the annual PEIMS submission. The 2013 School FIRST ratings were based upon an analysis of staff and student data reported for the 2012-13 school year and budgetary and actual financial data for the 2012 fiscal year.

Known as the FIRST rating (Financial Integrity Rating System of Texas), the worksheet consists of 20 Indicators, with yes or no answers for indicators one through six. The remaining 16 indicators are combined for a total score up to 70 points. A rating is then determined from the overall score. Ratings range from Superior Achievement to Substandard Achievement.

For the twelfth year in a row, Snyder ISD continues its financial excellence with a rating of “Superior Achievement” for the 2012-2013 fiscal year, scoring positive responses on 20 of 20 questions for a score of 70 out of a possible 70 points. This report briefly focuses on how this superior rating was achieved and what will be required to maintain it.

Other Data Concerning the District's Operations

The purpose of this section of the report is to discuss other aspects of the District's business operations not covered by the worksheet. The worksheet should be viewed as a basic tool with which to assess SISD's primary business practices. However, a financial evaluation should not stop there. The district should always be working to improve in all areas in order to maximize funds available to campuses for educational purposes and to our ancillary departments that support our campuses.

Outlined below, are a number of business practices not covered by the Financial Accountability Worksheet directly.

Financial Strength

The state of Texas recommends that financial strength be discussed in this report. A significant financial indicator of strength is the district's ability to meet cash flow each year without

borrowing money. As a Chapter 41 district, state funds will continue to decrease based on the assumption that the District is realizing revenues from tax collections. Snyder ISD has not borrowed funds for operating reasons at any time in recent history, which is one indicator of adequate financial strength.

Another indicator of financial strength can be measured by the District's level of fund balance. The fund balance of the district has increased significantly in the past nine years from \$1,897,783 in 2000-2001 to \$29,263,408 in 2013 of which \$14,500,000 has been designated for capital improvements and other financial needs. Careful management of the operating budget has enabled SISD to increase fund balance for future financial needs.

RATING UPGRADE (As of June 27, 2011) Standard & Poor's Rating Services raised its long-term and underlying rating to 'A+' from 'A-' for the District. The upgrade reflects Standard & Poor's opinion of, what Standard & Poor's considers, the District's continually strong financial performance, further supported by the District's good financial management practices. MOODY'S investor services has assigned a Aa3 underlying rating to SISD's \$15,000,000 bonds, listing the district's strengths as a healthy financial position and low direct debt burden and descending debt service payments.

Operating Cost Management

A relatively small portion of total General Fund expenditures are flexible or variable in nature. Salaries and benefits comprise the largest part of the annual budget, followed by other fixed costs such as recapture payments, maintenance, transportation, utilities, tax appraisal fees, tax collection fees, and debt service. The remaining expenditures are allocated for supplies, materials, capital outlay, staff development, construction, and contracted services.

Personnel Management

The District's longstanding personnel goal is to attract and retain qualified staff, and to offer a competitive salary and benefit package each year. In an effort to remain competitive with area districts, teacher salaries were increased from \$3,000 above state base in 2006-2007 to \$4,000 above state base in 2007-2008. The district also added 10 additional steps above the 20 step teacher salary schedule (State Minimum Salary Schedule for Classroom Teachers, Full-Time Librarians, and Full-Time Nurses). After converting to a hiring schedule in 2010, salaries 3% from mid-point for 2010-2011. In 2012, teacher salaries were increased on average, 2.5%. In 2013, a 1% from mid-point salary increase was approved by the Board, along with a \$600 per year increase in the District's contribution toward the employee's health care premium. In 2014, the board approved a 1.5% from mid-point salary increase for all employees. SISD currently pays \$388 per month for each employee's health care premium and provides dental, vision and life insurance for all employees.

Debt Management

The taxpayers of the District authorized a \$24.585 million bond program in September 2004. This authorization was received very favorably by the voters. This speaks to the confidence voters have in the District, not only from an instructional viewpoint, but also from a financial management perspective.

All funds under the 2004 authorization have been issued. The elementary school was completed in August, 2007 and was opened with approximately 1,200 students in attendance. Several renovation projects were also completed during the 2007-2008 year.

In October of 2013 SISD refunded portions of the Series 2005 (Sept. '04) bonds reducing the district's debt service by approximately \$11,000,000 and shortening the term by 4 years.

In May of 2014, the voters approved a \$15,000,000 bond for a new junior high school. These bonds were sold in September of 2014. Construction is set to begin in January 2015.

Debt management is more effective if local taxes are collected at a high collections rate consistently over the years. The District has experienced favorable tax collections, which is one of the worksheet criterions dealing with this issue.

Facility Acquisition and Construction Management

A 2007-2008 facility study noted needed improvements to athletic facilities, fine arts areas, vocational facilities and the administration building. A bond election was called for in the November general election to address most of these needs. Unfortunately, the bond did not pass in the November 4, 2008 election. Carefully considering the recommendations outlined in the study, the District has used portions of its available maintenance and operations budget to address facility needs by constructing a new cafeteria at SHS (2010-12), renovating Worsham Auditorium (2012), reconstructing Tiger Stadium (2011-2012) and renovating the administration building.

In May of 2014 the voters approved a \$15,000,000 bond for a new junior high school. Construction is set to begin in January 2015.

Cash Management

The worksheet addresses cash/investment issues. The worksheet criteria essentially states that a district should have cash available, and should earn a minimal rate of return on it. In truth, an investment and cash management program is much more complex.

First, state and local board policies require funds be invested with four major objectives in mind. In order of importance, they are: safety, liquidity, diversity and yield.

State and local policy specify what types of securities can be purchased, and virtually all of them fall within these restrictions. Certificates of Deposit are legal investments, but they are not liquid and their marketability can fluctuate, so CD's are only purchased when they are the most attractive investment in terms of maturity and return.

There are a few investments that are legal to purchase, but they aren't very marketable. Consequently, SISD does not purchase them. Bonds of the state of Israel are a good example. While diversity in the portfolio is always a goal, interest rates have dictated the direction of investments the past several years. Operating funds are mainly kept in investment pools and with the District's depository bank. Lastly, monthly reviews of investment activity and performance and an annual review of the investment policy are submitted to the Board of Trustees for review and approval, as required by law.

Budgetary Planning & Financial Allocations

The District's budget process usually begins in February each year. During the first month of planning, budget allocations are developed for each campus and department. Most school districts have some rational basis for allocating funds to campuses and operating departments. Snyder ISD's funds are allocated to the campuses based on the number of students and type of campus. Support departments receive funds based on previous year's budgets adjusted (up or down) for future years' needs. Special project requests for amounts supplemental to allocations are considered individually each year. In May, budget requests are submitted and state and local revenue calculations begin. June and July are spent compiling this information and the first preliminary view of how the next year's budget looks occurs. In odd-numbered years, the legislature is in session, and that complicates and delays the budgeting process. In the months of July and August, budget committee meetings are held to review the preliminary budget. Decisions are made on program and capital outlay requests, revenue data is fine-tuned and a final budget is submitted to the Board of Trustees for approval in August.

The budget process is a proactive and highly participatory one, and campuses and departments are given a great deal of discretion as to how to budget their funds. After the budget is adopted, each campus or department is given equal latitude regarding amending their budget when their plans or needs change. This decentralized style of budget management (called site-based decision making) is required by the state of Texas. It is a system that works best in the long run for everyone by allocating resources where they are needed, even when those needs change.

Academic Ratings

Although not a direct indicator of a district's financial strength or operating processes, the academic ratings of a district can be connected back to its financial operations to a degree. The management and distribution of a district's financial resources toward instruction can have an effect on the district's academic rating. Financial mismanagement can lead to lower academic achievements if the funds are not targeted towards the appropriate areas.

Annual Audit Report

Each year, an audit is performed by independent auditors. Their job is to report on SISD's financial status and to ensure that Snyder ISD management is doing a good job of keeping the District's financial records up to required standards. This report is a critical element of the accountability ratings worksheet, covering six criteria. These criteria and the District's compliance with each have been discussed in this report. Further, the district has had "clean audits" for the past ten years, 2004 through 2013, with auditors reporting "No Reportable Conditions, No Material Weaknesses."

Award

Texas Comptroller Leadership Circle Platinum Member

For the fourth consecutive year, the Snyder ISD Business Office has been awarded the Texas Comptroller Leadership Circle Leadership Certificate. **Snyder ISD is one of only 67 of the state's 1032 school districts that have received this award since the program began.**

The Comptroller of Public Accounts launched the Texas Comptroller Leadership Circle program to recognize local governments across Texas that are striving to meet a high standard for financial transparency online. This award spotlights those local governments that are:

- opening their books to the public
- providing clear, consistent pictures of spending
- sharing information in a user-friendly format that lets taxpayers easily drill down for more information.

Beginning this year, there are four levels of participation. Bronze inspires those who are just beginning their transparency efforts. Silver encourages those who are making progress. Gold highlights those entities that are “setting the bar” with their transparency efforts. Platinum spotlights entities that go above and beyond providing financial transparency.

By visiting the Snyder ISD web page at www.snyderisd.net, residents can readily find a 5 year history of the reports and budgetary information that are used to monitor the finances of SISD. Examples of these reports include: the adopted budget and tax rate, utility usage, investments, the annual financial audit and check registers.

“We are very pleased that SISD’s business office is being recognized as ‘going above and beyond’ in our efforts to provide financial transparency to community. It is our goal to provide our patrons with the information they need to be informed about the financial condition of the district.” said Snyder ISD Chief Financial Officer, Dr. Randy Burks.

STATE OF TEXAS

COUNTY OF SCURRY

SUPERINTENDENT'S TERM CONTRACT

The BOARD OF TRUSTEES ("Board") of the SNYDER INDEPENDENT SCHOOL DISTRICT ("SISD") and Randy M. Brown ("Superintendent") pursuant to Section 11.201 of the Texas Education Code agree to the following terms and conditions of employment as Superintendent for Snyder ISD.

I. Term

- 1.1 The Superintendent shall be employed on a 12-month basis, for a term of 3 years, commencing on July 1, 2014, and ending on June 30, 2017. This contract is not for a specific number of days within a year, and there are no "non-duty" days under this contract.
- 1.2 SNYDER ISD may by action of the Board, and with the consent of the Superintendent, extend the term of this term contract once the Superintendent has completed one full year of service under this contract.
- 1.3 The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of tenure is created by this term contract. No property interest, express or implied, is created in continued employment beyond the contract term.

II. Employment

- 2.1 *Duties.* The Superintendent is the educational leader and chief executive of the district and shall faithfully perform the duties of the Superintendent of Schools for the SISD, as prescribed by Texas law and in the adopted job description and as may be assigned by action of the Board, and shall comply with all lawful Board directives, state and federal law, district policy, rules, and regulations as they exist or may hereafter be amended. The Superintendent shall perform the duties of the Superintendent of Schools for the SISD with reasonable care, diligence, skill, and expertise and shall devote substantially all of his time, skill, labor, and attention to his employment and the performance of these duties during the term of this term contract. All duties assigned to the Superintendent by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent.
 - 2.1.a Specifically, it shall be the duty of the Superintendent to:
 - (1) Assume administrative responsibility and leadership for the planning, operation, supervision, and evaluation of the education programs, services, and facilities of the SISD and for the annual performance appraisal of the SISD's staff.
 - (2) Assume administrative authority and responsibility for the assignment and evaluation of all personnel other than the Superintendent.

Superintendent Randy Brown

- (3) Oversee compliance with school facility standards.
- (4) Make recommendations regarding selection of all SISD professional personnel, subject to Board approval.
- (5) To the extent authorized by SISD policy, employ all other personnel.
- (6) Initiate the termination or suspension of an employee's employment or the nonrenewal of an employee's term contract.
- (7) Accept resignations for all employees, consistent with SISD policy.
- (8) Manage the day-to-day operations of SISD as its administrative manager.
- (9) Prepare and submit to the Board annually a proposed budget covering all estimated revenue and proposed expenditures of the SISD for the following fiscal year.
- (10) Prepare recommendations for policies to be adopted by the Board and oversee the implementation of adopted policies.
- (11) Develop appropriate administrative regulations, rules, and procedures which the Superintendent deems necessary for the efficient and effective operation of the district consistent with the Board's lawful directives, the board's policies, and state and federal law.
- (12) Provide leadership for the attainment of student performance based on the academic excellence indicators adopted by the State Board of Education and other indicators adopted by the Board of Trustees of SISD.
- (13) Organize, reorganize, and arrange the staff and central administration of the district.
- (14) Consult with the District-level site-based decision making committee.
- (15) Ensure adoption and enforcement of a student code of conduct and other student disciplinary rules and procedures.
- (16) Submit reports, as required by state or federal law, rule, or regulation.
- (17) Provide joint leadership with the Board to ensure that the respective duties and responsibilities of superintendent and Board are carried out.
- (18) Perform any other duties assigned by action of the Board.

2.2 *Professional Certification.* The Superintendent shall at all times during employment by SISD hold a valid certificate required of a superintendent by the State of Texas and issued by the Texas Education Agency or the State Board of Educator Certification and all other certificates required by law. The Superintendent represents that he has made written disclosure to the Board of any conviction for a felony or for any offense involving moral turpitude. The Superintendent shall also be subject to a criminal history record check, and his employment is contingent upon such results being favorable and consistent with information previously disclosed to the Board.

2.3 *Reassignment.* The Board may reassign the Superintendent to another position only if the Superintendent expressly consents in writing.

- 2.4 *Board Meetings.* The Superintendent shall attend all meetings of the Board, both open to the public and closed, except that the Superintendent generally shall be excluded from all or a portion of those closed meetings devoted to the consideration of any matter regarding the Superintendent's employment, the Superintendent's salary and benefits, and the Superintendent's evaluation and from those closed meetings devoted to interpersonal relationships between individual Board members. In the event of illness or Board-approved absence, the Superintendent's designee shall attend such meetings.
- 2.5 *Criticisms, Complaints.* Individual Board members shall refer to the Superintendent all substantive criticisms, complaints, and suggestions brought to their attention by employees or members of the public. The Superintendent shall look into the matter and direct a complainant to the appropriate policy for resolution of the complaint. When the matter is a substantive criticism or suggestion, the Superintendent shall investigate and make a report to the Board for its consideration.

III. Compensation and Benefits

- 3.1 *Salary.* During the first year of the contract, the SISD shall provide the Superintendent with an annual salary not less than \$135,935.00. The annual salary shall be paid to the Superintendent in equal monthly installments consistent with the Board's policies.
- 3.2 *Salary Adjustments.* The Board will consider all compensation regularly and determine if increases are warranted by performance, longevity, and general economic conditions. Such adjustments, if any, shall be effective on the July 1 following approval of the adjustment and shall be in the form of a written addendum to this term contract or a new contract shall be issued. In no event shall the Superintendent be paid less than the salary set forth in Section 3.1 of this Contract except by mutual agreement of the two parties, or in the event that the District, through lawful Board action, lowers the salaries of all other contract employees of the District. In such event, the Superintendent's salary may only be decreased in the exact same proportion as that of all other contract employees of the District.
- 3.3 *Health Care Benefits.* The District shall pay the premiums for hospitalization, major medical, and dental insurance coverage for the Superintendent and the Superintendent's dependent family members pursuant to the Level 2 group health care plan provided by the District through the Texas Teacher Retirement System ("TRS"). Should TRS discontinue or decrease the benefits available through the Level 2 group health care plan coverage during the term of this contract, the District agrees to provide the Superintendent and his dependent family with at least the same or similar level of health care benefits that would be in place on the effective date of this contract.
- 3.4 *Vacation, Holidays, Leave Benefit.* Subject to the Board's approval of the scheduling, the Superintendent may take 15 days of vacation each year of this contract. These vacation days will be taken at times that will least interfere with the performance of the Superintendent's duties as set forth in this term contract. Unused vacation does not accumulate from year to year and cannot be converted into compensation at the termination of the employment relationship or any other time. The Superintendent shall observe the same holidays and breaks as provided by the Board's adopted annual calendar. The Superintendent shall be subject to the leave policies applicable to all employees as stated in adopted board policy.

- 3.5 *Residence in District.* The Superintendent shall reside within the District during the term of this Contract.
- 3.6 *Indemnification.* To the extent permitted by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District agrees to defend, hold harmless, and indemnify Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees incurred in any legal proceedings brought against Superintendent in the Superintendent's individual or official capacity as an employee and as Superintendent of the District, provided the incident(s) that is (are) the basis of any such demand, claim, suit, action, judgment, expense and attorneys' fees, arose or does arise in the future from an act or omission of Superintendent as an employee of the District, acting in good faith within the course and scope of Superintendent's employment with the District; excluding, however, any such demand, claim, suit, action, judgment, expense and attorneys' fees for those claims or any causes of action where it is determined that Superintendent committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith. Upon such determination, Superintendent is liable to District for any amounts expended on his behalf; however, District and Superintendent agree that neither District nor Superintendent shall be liable to pay any costs, fees, expenses, or damages that would be recoverable or payable under an insurance contract, held either by the District or by Superintendent. The selection of Superintendent's legal counsel shall be with the mutual agreement of Superintendent and the District, if such legal counsel is not also District's legal counsel. A legal defense may be provided through insurance coverage, in which case Superintendent's right to agree to legal counsel will depend on the terms of the applicable insurance contract. To the extent this Section 3.7 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, and the Texas Constitution, it shall be construed and modified accordingly. The provisions of this Section 3.7 shall survive the termination of this Contract.
- 3.7 *Civic Activities.* The Superintendent is encouraged to participate in community and civic affairs including chamber of commerce, civic clubs, governmental committees, and educational organizations. The cost of membership in such activities, if any and subject to Board approval in advance, shall be borne by the SISD.
- 3.8 *Professional Organizations.* The cost of membership in two professional organizations shall be borne by SISD.

IV. Annual Performance Goals

- 4.1 *Development of Goals.* The Superintendent, in cooperation with the District-Level Planning and Decision-Making Committee, shall submit to the Board each year, for its consideration and adoption, a preliminary list of goals for the SISD. The goals approved by the Board shall at all times be memorialized in writing and reflected in Board minutes or the Superintendent's annual written evaluation and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated.

V. Review of Performance

- 5.1 *Time and Basis of Evaluation.* The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year during the term of this term contract. The evaluation

and assessment shall be reasonably related to the duties of the Superintendent. The Board, at its discretion, may evaluate and assess the performance of the Superintendent as many times during the year as it deems appropriate. The evaluation of the Superintendent shall at all times be conducted in closed meeting.

- 5.2 *Evaluation Format and Procedure.* The evaluation format and procedure shall be adopted by the Board in accordance with the Board's policies and state law. In the event the Board deems that the evaluation instrument, format and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

VI. Renewal or Nonrenewal of Term Contract

- 6.1 *Renewal/Nonrenewal.* Contract renewal or nonrenewal shall be in accordance with Board policy and Section 21.212 of the Texas Education Code. It is expressly agreed by the parties that "loss of confidence in the Superintendent by the Board" shall be a valid ground for nonrenewal pursuant to Section 21.212 of the Texas Education Code.
- 6.2 *Appeal.* If the Superintendent is aggrieved by the Board's decision, he or she may appeal to the Commissioner of Education in accordance with Subchapter G, Chapter 21, of the Texas Education Code.

VII. Termination of Contract

- 7.1 *Mutual Agreement.* This term contract may be terminated by the mutual agreement of the Superintendent and the Board in writing, upon such terms and conditions as are mutually agreed.
- 7.2 *Resignation.* The Superintendent may leave the employment of the district at the end of a school year without penalty by filing a written resignation with the Board not later than the 45th day before the first day of instruction of the following school year. The Superintendent may resign with the consent of the Board at any other time.
- 7.3 *Retirement or Death.* This term contract shall be terminated upon the retirement or death of the Superintendent.
- 7.4 *Dismissal or Suspension Without Pay for Good Cause.* The Board may dismiss the Superintendent, or suspend without pay for a period not to extend beyond the end of a school year, during the term of this term contract for good cause, defined generally as failure to perform duties or responsibilities within the scope of employment or as set forth under the terms and conditions of this term contract that a Texas school superintendent of ordinary prudence would have done under the same or similar circumstances. The Superintendent's actions or inactions within the scope of employment constitute good cause for termination if they are inconsistent with the continued existence of the Board-Superintendent relationship. The following are examples of conduct and situations that may constitute "good cause," but the term is not limited in meaning by this list:
- (1) Insubordination or failure to comply with lawful written or oral directives issued by action of the Board or failure to comply with Board policies;

- (2) Any sexual misconduct with a student or employee or any conduct that endangers or has the potential to endanger the health or safety of one or more students or employees;
- (3) Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication when the Board has provided the Superintendent a reasonable opportunity to remediate any incompetence or inefficiency that is remediable;
- (4) Neglect of duties;
- (5) Drunkenness or excessive use of alcoholic beverages;
- (6) Illegal use of drugs, hallucinogens, or other substances regulated by the Texas Dangerous Drug Act or the Texas Controlled Substances Act;
- (7) Conviction of a felony or any crime involving moral turpitude; conviction of a lesser included offense pursuant to a plea when the original charged offense is a felony; deferred adjudication for a felony or any crime involving moral turpitude, when the conviction or deferred adjudication occurs during the term of employment;
- (8) Failure to meet the SISD's standards of professional conduct;
- (9) Failure to comply with reasonable SISD professional development requirements;
- (10) Excessive absences, i.e., absences not in compliance with district policy or procedures, including applicable state and federal law.
- (11) Immorality, which is conduct the Board determines is not in conformity with the accepted moral standards of the community encompassed by the SISD. Immorality is not confined to sexual matters, but includes conduct inconsistent with rectitude or indicative of corruption, indecency, or depravity;
- (12) Failure to make a reasonable effort to achieve and maintain an effective working relationship or good rapport with parents, the community, or staff, unless the relationship or good rapport is not achieved or maintained due to no fault of the Superintendent;
- (13) Failure to make a reasonable effort to achieve and maintain an effective working relationship or good rapport with the Board, for any reason, in its sole and final determination;
- (14) Assault on an employee or student;
- (15) Falsifying records or documents related to the SISD's activities;
- (16) Misrepresentation of facts to the Board or other SISD officials in the conduct of the SISD's business; or
- (17) Any other reason constituting "good cause" under Texas law.

7.5 *Termination or Suspension Without Pay Procedure.* In the event that the Board proposes to terminate this term contract or suspend the Superintendent without pay for "good cause," the Superintendent shall be afforded all the rights as set forth in Board policies, and Subchapter F, Chapter 21, of the Texas Education Code.

VIII. Miscellaneous

- 8.1 *Controlling Law.* This term contract shall be governed by and construed in accordance with the laws of the State of Texas and shall be performed in Scurry County, Texas, unless otherwise provided by law.
- 8.2 *Complete Agreement.* This term contract embodies the entire understanding between the parties and cannot be varied except by written agreement of the undersigned parties and Board approval of the new or additional writing at a lawfully called meeting. All existing term contracts, both oral and written, between the parties regarding the employment of the Superintendent are superseded by this term contract, and this term contract constitutes the entire agreement between the parties unless amended pursuant to this paragraph or other specific terms of this term contract.
- 8.3 *Conflicts.* In the event of any conflict between the terms, conditions, and provisions of this term contract and the provisions of the Board's policies or any permissive state or federal law, the terms of this term contract shall take precedence over the contrary provisions of the Board's policies or any such permissive law, unless otherwise prohibited by law.
- 8.4 *Savings Clause.* In the event any one or more of the provisions contained in this term contract shall, for any reason, be held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provision, and this term contract shall be construed as if such invalid, illegal, or unenforceable provision had never been included.

EXECUTED at the City of Snyder, County of Scurry, and State of Texas, this 11th day of September, 2014, pursuant to action of the Board of Trustees at a meeting held on September 11, 2014, for which there was a properly posted agenda that included an item related to employment of a superintendent.
